

THE VIM WRIGHT LEGACY FUND

"We will make sure that Vim's mission of bringing farmers and environmentalists together goes on," commented Wade Troutman, President of the Washington Association of Conservation Districts, Foster Creek Board Supervisor and fellow Conservation Commission member. Vim is remembered for her ability to bring groups together with widely different agendas, building trust and opening meaningful dialogs between them.

To help establish the Vim Wright Legacy Fund, Foster Creek will offer embroidered District clothing with your valued donation.*
